## *KPVG Continues to grow!*

Hangar 35 is a 12,000 sq. ft. hangar with a 90' wide x 28' high clear aircraft door airside, with a 14' x 16' garage door on the opposite wall. All utilities available; including cable and internet. Great location adjacent to security gate and apron.

Available June 1, 2024.

We are pleased to advise that we have a Hobart GPU for ground power! We hope that this will be a benefit for visiting jets!

**AIRCRAFT WASH RACK - FREE USE FOR  
ALL TENANTS!**  
INSTRUCTIONS ON SITE

# West Side Main Entrance Hangar Sites

For tenants who requested to be located near the terminal area and close to the highway, this site for corporate hangar buildings will be perfect. Three 12,000 sq. ft. hangars with 90' wide x 28' high clear aircraft doors will be located on the west side of the main entrance and terminal area. Construction will begin in July of 2024.

Pre-leasing now - call Steve Fox at 757-373-3151 or [sfox@flypvg.com](mailto:sfox@flypvg.com)

Quiet please...pilots resting.

There is a new sleep room for 2 pilots in the terminal!

**Bryan Brookshire** joined our team recently.

He served 8 years in the US Navy as an Aviation Administrationman and resides in Norfolk with his 2 dogs, Raymond and Woody. Bryan handles a little bit of everything at PVG; fueling, maintenance and assistance with financial management.

 **Children's Hospital  
of The King's Daughters**

## *Join in on the Raffle Contest!*

Purchase a raffle ticket for \$10 at the terminal and have a chance to win 50 gallons of 100LL or Jet-A! All proceeds will be donated to CHKD.

### AAM Demo Day October 1

Preceding the AUVSI Hampton Roads & Virginia Aerospace Business Association (VASBA) meeting in Newport News on October 2, PVG is hosting an AAM Showcase on October 1 in the terminal building.

Hampton Roads Helicopters is an authorized Robinson helicopter dealer and service center. HRH can provide helicopter charter services, flight instruction, aerial photography, aerial tours, special event support, aircraft ferrying services, sales & leasing, and helicopter maintenance. HRH, as well as HRCS, its sister company, can also provide hangaring, aircraft management, and pilot services for both airplanes and helicopters. For any of your helicopter needs, contact HRH at (757) 488-9044 or visit their website at [hrheli.com](http://hrheli.com).

Established in 2007, Outer Banks Aviation specializes in private charter flights to the Outer Banks and the entire East Coast. We are always striving to support the local community in many ways, including efforts to hire current and previous military aviation heroes for our piloting team. Our professional and highly trained staff and crew coupled with our specialized air charter designation allow us to provide a full range of services to meet the needs of all travelers. From the initial inquiry forward, we are here to make the charter flight experience as convenient, comfortable and enjoyable as possible. Check us out at [FlyOBX.com](http://FlyOBX.com), or call 252-473-4247 and let us know how we can get you where you need to be.
